IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Secretary of Labor and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival. It shall be in duplicate to be turned over to the inspector. The list of changes of alien passengers and crew (Form 57) shall be retained on board, but shall be delivered by the Master to the immigration officer as the vessel proceeds to port. When an arriving master is a "workman", a notation to that effect should be made on the master's log.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917

Sec. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the immigration inspector boarding the vessel at the port of arrival a list containing the names of all aliens employed on such vessel, stating the port or place of their last embarkation, their nationality, and where they were respectively engaged or employed, and specifying those to whom such employment or engagement was given. Said list shall be rendered to the immigration inspector boarding the vessel upon arrival, and shall be signed by or on behalf of the master, agent, consignee, or master thereof. Said list shall be in duplicate and shall be submitted to the immigration inspector when required. If the owner, agent, consignee, or master of any vessel fails to deliver to the immigration inspector, in writing, an accurate statement of all aliens engaged on said vessel, together with any information likely to be helpful to the immigration inspector in the discharge of his duties, such vessel shall be declared to be in violation of any section of this act, and if any such vessel is in port, no further inspection of the same shall be made until such statement has been furnished, together with such information as may be necessary to determine the liability of the owner, agent, consignee, or master of such vessel, and of the master or any other person in the possession of the immigration inspector, for the violation of any such section of this act, as the immigration inspector may determine.

EXTRACT FROM SUBDIVISION B, RULE 7

Par. 4. Clearance shall not be granted any vessel until the list required by section 36 of the Act of February 5, 1917, have been furnished, and not then unless notice of liability to the immigration inspector furnished by said list or in the manner prescribed by section 36 of said act having been served, the deposit specified in rule 23 has been made.

Sec. 28. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any alien outside thereof who fails to deliver on board any alien passenger employed on such vessel until the immigration inspector in charge of the port of arrival receives such list, or in the case of vessels arriving and departing, respectively, or to report such cases of desertion or landing, such owner, agent, consignee or master shall be subject to the penalty provided in the immigration laws.

1. John Williams, Master of the "Princess Charlotte," do declare that the foregoing is a full and true list of the crew brought on said vessel from any port or place during her present voyage. I have noted the copy of section 9 of the Act of February 5, 1917, extract from subdivision B, rule 7, and copy of sections 19 and 20, Act of May 26, 1924, which appear below.

Sworn to before me this 1st day of August, 1924.

IMPORTANT NOTICE TO MASTER

The list described below shall be compiled on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall be in evidence for the purpose of determination of the time of arrival. This list shall in no case be opened or inspected on board, but shall be delivered by the master to the immigration inspector officer at the port. When an arriving master is a "workman," a notation to that effect should be made on the list.

SEC. 30. That the master of any vessel required to be provided with an immigration inspector officer shall be liable to the penalty of $1,000 for each vessel upon which such inspector officer shall be required to be provided with an immigration inspector officer.

EXTRACT FROM SUBDIVISION B, RULE 7

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department, and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall be in duplicate taken from the vessel. The list of officers of any member of crew (from this) shall not be reflected or bound, but shall be delivered by the master to the principal immigration officer at the port. When an arrest warrant is a "warrant" to that effect shall be made on the manifest.

EXTRACT FROM ACT OF CONGRESS APPROVED MAY 20, 1924

Sec. 25. No alien crewmen excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof shall be permitted to land in the United States except temporarily for medical treatment, or pursuant to such regulations as the Secretary of Labor may prescribe for the ultimate departure, removal, or deportation of such alien.

Sec. 26. (a) The master, consignee, or master of any vessel arriving in the United States from any place outside thereof, who fails to deliver to the immigration inspector on board said vessel the official record of such vessel showing the names, ages, and a sufficient description of all officers and crew members, or other passengers, employed on such vessel, stating the names, ages, occupations, residences, and ports of embarkation or disembarkation of each, shall be guilty of an offence against the revenue laws, and shall be liable to a penalty not exceeding $200 for each such offense. Provided, That the officer or master of the vessel charged with the violation of this section may, in his discretion, with the consent of the officer of the port, allow the vessel to proceed to port without the penalty prescribed in this section, upon proof to the satisfaction of the present at the time of his arrival at the port, that the failure to deliver the required official record of said vessel was due to the negligence or willfulness of some person having charge of the crew or vessel, whose conduct he had no authority to control, and who, at the time of his arrival at the port, was unable to make the required record, and that such record shall be required to be delivered in connection with the payment of the necessary duties at the port of arrival.

(i) If the Secretary of Labor finds that the deportation of the alien crewmen on the vessel on which he arrived would impose undue hardship to such vessel, he may cause him to be deported to a port in the United States at which he arrived, and no such vessel shall be granted clearance until such expense has been paid or the payment guaranteed in the satisfaction of the Secretary of Labor.
